Sub: Assurance to avoid double counting

Dear UCR Registry,

‘KBS Certification Services Ltd.’ confirms the following based on the reasonable level of assurance achieved during the audit process that:

- The project is not registered more than once with the UCR program.
- The project is not registered under any other GHG program (voluntary or compliance), for the same crediting period as claimed under the UCR scheme.
- That the offset credits under CDM issued by UNFCCC¹ are not for the same crediting/monitoring period as it has claimed under the UCR scheme.
- Double counting with mandatory domestic targets is avoided and that host country will not use the project’s emission reductions to track progress towards, or for demonstrating achievement of its nationally determined contributions (NDCs).
