Sub: Assurance to avoid double accounting by Project Owners

Dear Sir,

" I declare the following given below:

" I, Shailendra Singh Rao, on behalf of M/S Sunshine Hydro Power Limited, with details as provided in the Mandate, having my registered office at 2-O-13,14 Housing Board Colony, Banswara, Rajasthan - 327001;

" The parties identified above, herewith confirm that: We jointly have submitted the project 2.00 MW Kalm Small Hydro Power project by Sunshine Hydro Power Limited, Himachal Pradesh, India (UCR ID Number: 064) for registration with UCR Program which aims for issuance of CoUs (called as Carbon Offset Units) consequent to compliance with all the applicable requirements of UCR Program;

Authorised Actions. Shailendra Singh Rao is authorised to act for the Project Proponent with respect to state the following:

" The project was registered in CDM registry with Project ID 5504 with title "2 MW Kalm Small Hydro Electric Project in Himachal Pradesh, India" for the period of 13/12/2011 to 12/12/2021. However, no CDM verification took place during this crediting period due to low carbon pricing and higher investment required in the verification and issuance process. Thus, it will not cause Double Counting.

" Double counting with mandatory domestic targets is avoided and that host country will not use the project's emission reductions to track progress towards, or for demonstrating achievement of its nationally determined contributions (NDCs).

SIGNED for and on behalf of M/S Sunshine Hydro Power Limited (Project Proponent):
