Sub: Assurance to avoid double accounting by Project Owners

Dear Sir,

- I, Shailendra Singh Rao, on behalf of **M/S Sanjog Sugars & Eco-Power Private Limited,** with details as provided in the Mandate, having my registered office at 2-O-13,14 Housing Board Colony, Banswara, Rajasthan - 327001;
- The parties identified above, herewith confirm that: We jointly have submitted the project 10 MW Biomass based Power Project by Sanjog Sugars & Eco-Power Private Limited (UCR ID Number: 494) for registration with UCR Program which aims for issuance of CoUs (called as Carbon Offset Units) consequent to compliance with all the applicable requirements of UCR Program;

Authorised Actions. Shailendra Singh Rao is authorised to act for the Project Proponent with respect to state the following:

- The project was registered under CDM (Clean Development Mechanism) with CDM ID & Title- Project 5723: 10 MW Biomass based Power Plant by Sanjog Sugars & Eco-Power Private Limited for the crediting period from 13 Feb 2012 to 12 Feb 2022. The project was successfully verified the Carbon Credits till 31/12/2020. However, due to the uncertainty of CDM mechanism under Article 6 of Paris Agreement, PP did not proceed with submission of Request for Issuance at UNFCCC. Hence, the verified credits under CDM have never been issued, hence never utilized.
- Since the start date of crediting period in the Universal Carbon Registry is 01/01/2013, hence it will not cause Double Accounting.
- Double counting with mandatory domestic targets is avoided and that host country will not use the project's emission reductions to track progress towards, or for demonstrating achievement of its nationally determined contributions (NDCs).
