

DECLARATION

I, the undersigned, hereby declare the following on behalf of *Pass Africa Ltd* (hereinafter referred to as “the Aggregator”):

1. That Pass Africa Ltd is the aggregator responsible for implementing and monitoring rainwater harvesting projects, including the rainwater harvesting earth dam commissioned at *The New Rain Resort*.
2. That in the process of quantifying the volume of rainwater harvested and calculating the corresponding Rainwater Offset Units (RoUs), due diligence and standard verification protocols have been strictly followed.
3. That Pass Africa Ltd hereby assures and affirms that ****no double counting**** of the harvested rainwater or the resulting Rainwater Offset Units (RoUs) has occurred in any calculations, records, or reports related to this project.
4. That all data presented in relation to harvested volumes and RoUs represents a true, fair, and single-accounted reflection of the rainwater collected and used at *The New Rain Resort*.
5. That the project activity has neither been registered nor it is seeking registration under any other Water registry or Sustainable Development programs

This declaration is made in good faith and to the best of my knowledge and belief.

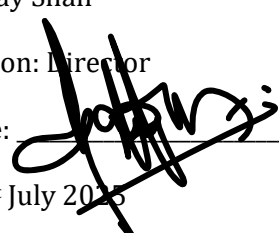

Declared at Pass Africa Building, Sunrise Ave, Gatongora Village, Ruiru, P.O. BOX 38937-00623

This 31st day of July, 2025.
